## ESTIMATE PRICING STRUCTURE

Xactimate estimates are typically available as early as one to three business days from the date all necessary information is provided with the exception of named storm events. If we expect it will take longer than three business days to complete your Preview Estimate, we will notify you up front and give you an opportunity to withdraw your order at no charge if you so wish. If you need your estimate back sooner than our current average turnaround time, you may request that we "rush" your estimate for an additional fee equal to 50% of your ordinary service fees.

Each Xactimate Estimate Includes:

- ✓ Line item revisions at no charge before order completion (we'll fine-tune the estimate to your exact specifications)
- ✓ Up-to-date pricing for your zip code
- ✓ Repricing of estimate after order completion (helpful when there are delays and material and labor costs have gone up)
- ✓ Your company info and logo on the header of each page
- ✓ Final draft in PDF format
- ✓ Sequential line item numbers for each line item in the estimate (helpful during negotiations and revision requests)
- ✓ Choose from more than 10,000 available line items under nearly any trade
- ✓ Importable/Exportable .esx file (if requested)

We do not discuss scope or pricing with any insurance carrier.

Claim Warriors, LLC will bill for each estimate based upon the fee schedule above. The fee schedule is not contingent on the RCV award amount if the claim is disputed unless discussed and agreed to in writing before the estimate assignment is accepted.
